

### IN THE DRAWINGS

In lieu of the informal drawings originally submitted in the great grandparent application (U.S. App Ser No. 08/949,072, filed Oct. 10, 1997 and issued as U.S. Pat. No. 5,902,399), Applicant has submitted as part of the current application formal drawings analogous to those that were ultimately submitted in the great grandparent. The formal drawings are in the form requested by the Patent Office – with identification (inventorship, Atty. Docket No.) located at the top center of each sheet. The formal drawings contain no new matter. A red-lined version is included.
